#### 9. Miscellaneous

(a) Staff Report - <u>Leedom</u> - provided an update on the Pension Protection Act. Previously, she noted the Board approved a change order to the pension software system to implement the \$3000 pre-tax health insurance for eligible public safety retirees. The latest information received states that the pre-tax dollar amount is not a 1099, but a 1040 issue and will be tracked by the IRS. If this is true, CCCERA will be taken out of the "loop". Leedom is waiting for confirmation from CCCERA's tax attorney, Ice Miller, on this issue. In the meantime, production on the change order has been suspended. Dunning noted this information is consistent with what was discussed at the National Association of Public Pension Attorneys (NAPPA) last week.

Leedom noted before the SACRS Spring Conference, CCCERA's Board voted to support the SACRS Economic Impact project. CCCERA is now being billed \$4,600.00 for this service, although the original approval was not cost-related.

The job announcement for the new General Counsel position has been distributed and staff has received a few responses. The office for General Counsel is currently being remodeled and should be completed shortly.

Leedom updated the Board on technology to be provided by the new pension software system. Members will have the ability to access their records through a member web site for account balances, the ability to estimate their personal retirement benefits, and review their retirement checks. For CCCERA's protection, there will be a disclosure on the web page stating the information is an estimate only. Information will be password/pin code protected. Next year's budget will include another Information Technology (IT) position to assist with all the system changes and the web page.

Leedom noted two important meetings in the next few months. The first on August 8<sup>th</sup> will include the Actuarial Valuation with an education on CCCERA's "Smoothing Method". An invitation letter will be sent to the public for this meeting. The September 5<sup>th</sup> meeting will include disability education by Rebecca Byrnes from County Counsel. Because this year's Actuarial Valuation follows the recent Experience Study and may be lengthy, the Board requested that staff reschedule the education on smoothing to a later meeting in either October or November.

<u>Hally</u> - noted that Nicholas Applegate's international team moved to UBS to start up a new fund. There was no change in the team responsible for CCCERA's portfolio.

(b) Outside Professionals' Report - Nothing further to report.

(c) Trustees' Comments - <u>Katz</u> requested information and an update on the City of San Diego and Darfur (Sudan). Dunning provided a brief update of both, noting a presentation during the recent NAPPA Conference she attended.

<u>Remick</u> noted he gained a lot of investment information at the Infrastructure Conference he attended in New York. He noted an interest in investing in local airports and toll roads. Dunning cautioned that Board members have a fiduciary obligation to invest in what is the best investment for the fund.

<u>Cabral</u> - noted the Benefit Statement was well received, and appreciated by members. He has received good feedback from active members, most questions centered on how the dates for retirement estimates were chosen. He feels Benefit Statements are a valuable tool.

There was discussion on the July 25 2007 meeting to determine if there would be a quorum present and the importance of having more trustees at the meeting. It was determined that there would not be sufficient trustee attendance at the meeting.

It was **M/S/C** to add an emergency agenda item to change the July 25, 2007 meeting to a date when more trustees can be present. (Yes: Cabral, Gioia, Katz, Watts, Remick, Rey, Telles, and Wedington)

# 10. Emergency Agenda Item to Change 7/25/07 Board Meeting Date

It was **M/S/C** to reschedule the July 25, 2007 meeting to either August 1, 2007 or August 15, 2007, when more Board members can be present. (Yes: Cabral, Gioia, Katz, Watts, Remick, Rey, Telles, and Wedington)

It was **M/S/C** to adjourn. (Yes: Cabral, Gioia, Katz, Watts, Remick, Rey, Telles, and Wedington)
