<input type="checkbox"/>	<p><i>I choose the unmodified benefit. BENEFICIARIES AND INSURABLE INTEREST
Options 1, 2, 3, or 4 require that the person(s) you designate as your beneficiary(ies) in the event of your death must have an insurable interest in your life. The legal definition of insurable interest is "... an interest based upon a reasonable expectation of pecuniary advantage through the continued life, health, or bodily safety of another person, and consequent loss by reason of that person's death or disability or a substantial interest engendered by love and affection in the case of individuals closely related by blood or law." Simply, insurable interest generally means someone closely related to you by blood or law, and financially dependent on you during your life.

THE UNMODIFIED OPTION
The unmodified option pays the highest monthly benefit to you.

Upon the death of the retiree, an eligible surviving spouse/registered domestic partner of a member who is receiving a service retirement, will receive 60 percent of the member's allowance for life, if:

- You have been married/registered with the California Secretary of State for at least one year prior to the member's retirement, or
- At the time of the member's death, the spouse/domestic partner is at least 55 years old and has been married/registered for at least two years prior to date of death.

If there is no surviving spouse, the 60 percent continuance is paid to unmarried children until they attain age 18, or age 22 if enrolled full time in an accredited school.

OPTION 1
Option 1 reduces your monthly benefit, but potentially leaves a lump sum for your survivor. This option reduces your monthly retirement benefit, in comparison to the Unmodified Option, in order to save some funds in your account for your surviving beneficiary.

Option 1 pays a reduced monthly benefit until death of the member, and then pays any remaining accumulated contributions to the member's estate or survivor in a lump sum. Your retirement plan is a defined benefit plan, meaning your benefit is not based on your account balance. Your monthly benefit continues regardless of the balance in your account. However, benefit funds are partially drawn against your accrued contributions. Depending on the member's lifespan, there may not be any contributions left at the time of death for a survivor to collect.

The amount your monthly benefit is reduced depends on your age and life expectancy at retirement, and your accumulated contribution balance at retirement.

RETIREMENT OPTION ELECTION

**FORM
217**
(Rev. 2025)

OPTION 2

Option 2 reduces your monthly benefit, but provides the same* monthly benefit for the lifetime of your survivor. Option 2 reduces your monthly retirement benefit, but after your death, pays the same reduced benefit to your named beneficiary for the rest of their lifetime. Trusts cannot be named as beneficiaries of this option; by CERL statute, trusts may be named as beneficiaries to lump sum payments only. The amount your monthly benefit is reduced depends on your age at retirement, the age of your beneficiary at your retirement date, and the life expectancy of both parties.

*In cases where the beneficiary is someone significantly younger than the member, the continuance may be less than the member's benefit.

OPTION 3

Option 3 allows you to provide a monthly benefit to your beneficiary that is equal to 50 percent of the benefit you received during retirement. Your benefit reduction is based on the life expectancies of you and your beneficiary.

Option 3 reduces your monthly benefit, but after your death, pays one half of the reduced monthly retirement benefit to your beneficiary for the rest of their lifetime. Trusts cannot be named as beneficiaries of this option; by CERL statute, trusts may be named as beneficiaries to lump sum payments only.

The amount your monthly benefit is reduced depends on your age at retirement, the age of your beneficiary at your retirement date, and the life expectancies of both parties.

OPTION 4

Option 4 allows you to make an election to receive a reduced retirement allowance during your lifetime, and to name more than one beneficiary who would receive an allowance for their lifetime(s) upon your death. Your reduced allowance is calculated using your age at retirement and the age(s) of your beneficiary(ies).

If one of your beneficiaries dies before you, the reduction to your retirement allowance remains in effect. You cannot name another beneficiary to receive the previous beneficiary's portion of your monthly allowance. Several conditions must be met to qualify for this option:

- The designation of more than one beneficiary must not put any additional financial burden on the system.
- CCCERA must consult with our actuaries, to determine the benefit amounts and qualifications for each designated survivor
- The processing and approving of the first request to estimate benefit allowances under Option 4 shall be processed free of charge to the member. Additional estimate requests requiring actuarial services to determine the benefit amount(s) and qualifications will be charged at \$500.00 per verification. (This fee provision, including the fee amount, is subject to change based on the CCCERA Board's determination of the financial and administrative burden to the system.)

As required by law, retirement benefit reduction factors are calculated using life expectancy estimates developed by licensed, professional actuaries employed by CCCERA, who specialize in retirement and benefit issues. At retirement, each member and chosen beneficiary(ies) have specific, individual demographic information used to actuarially calculate the prospective reduced monthly benefits and potential survivor benefits associated with Options 1, 2, 3, or 4. Therefore, without actual data, it is impossible to estimate what a given benefit may be for any option. In addition, combined total benefits payable to multiple beneficiaries may not exceed 100 percent of the member's basic retirement allowance.

*In cases where the beneficiary is someone significantly younger than the member, the continuance may be less than the member's benefit.

For more detailed help planning your retirement, please call CCCERA and speak with a retirement counselor or visit cccera.gov.

General Instructions

Section references are to the Internal Revenue Code unless otherwise noted.

Future developments. For the latest information about any future developments related to Form W-4P, such as legislation enacted after it was published, go to www.irs.gov/FormW4P.

Purpose of form. Complete Form W-4P to have payers withhold the correct amount of federal income tax from your periodic pension, annuity (including commercial annuities), profit-sharing and stock bonus plan, or IRA payments. Federal income tax withholding applies to the taxable part of these payments. Periodic payments are made in installments at regular intervals (for example, annually, quarterly, or monthly) over a period of more than 1 year. Don't use Form W-4P for a nonperiodic payment (note that distributions from an IRA that are payable on demand are treated as nonperiodic payments) or an eligible rollover distribution (including a lump-sum pension payment). Instead, use Form W-4R, Withholding Certificate for Nonperiodic Payments and Eligible Rollover Distributions, for these payments/distributions. For more information on withholding, see Pub. 505, Tax Withholding and Estimated Tax.

Choosing not to have income tax withheld. You can choose not to have federal income tax withheld from your payments by writing "No Withholding" on Form W-4P in the space below Step 4(c). Then, complete Steps 1(a), 1(b), and 5. Generally, if you are a U.S. citizen or a resident alien, you are not permitted to elect not to have federal income tax withheld on payments to be delivered outside the United States and its territories.

Caution: If you have too little tax withheld, you will generally owe tax when you file your tax return and may owe a penalty unless you make timely payments of estimated tax. If too much tax is withheld, you will generally be due a refund when you file your tax return. If your tax situation changes, or you choose not to have federal income tax withheld and you now want withholding, you should submit a new Form W-4P.

When to use the estimator. Consider using the estimator at www.irs.gov/W4App if you:

1. Are submitting this form after the beginning of the year;
2. Have social security, dividend, capital gain, or business income, or are subject to the Additional Medicare Tax or Net Investment Income Tax;
3. Receive these payments or pension and annuity payments for only part of the year; or
4. Have changes during the year in your marital status, number of pensions/jobs for you (and/or your spouse if married filing jointly), number of dependents, or changes in your deductions or credits.

TIP: Have your most recent payment statements/pay stubs from this year available when using the estimator to account for federal income tax that has already been withheld this year. At the beginning of next year, use the estimator again to recheck your withholding.

Self-employment. Generally, you will owe both income and self-employment taxes on any self-employment income you (or you and your spouse) receive. If you do not have a job and want to pay these taxes through withholding from your payments, use the estimator at www.irs.gov/W4App to figure the amount to have withheld.

Payments to nonresident aliens and foreign estates. Do not use Form W-4P. See Pub. 515, Withholding of Tax on Nonresident Aliens and Foreign Entities, and Pub. 519, U.S. Tax Guide for Aliens, for more information.

Tax relief for victims of terrorist attacks. If your disability payments for injuries incurred as a direct result of a terrorist attack are not taxable, write "No Withholding" in the space below Step 4(c). See Pub. 3920, Tax Relief for Victims of Terrorist Attacks, for more details.

Specific Instructions

Submit a **separate Form W-4P** for each pension, annuity, or other periodic payments you receive.

Step 1(c). Check your anticipated filing status. This will determine the standard deduction and tax rates used to compute your withholding.

Step 2. Use this step if you have at least one of the following: income from a job, income from more than one pension/annuity, and/or a spouse (if married filing jointly) that receives income from a job/pension/annuity. The following examples will assist you in completing Step 2(b).

Example 1. Taylor, a single filer, is completing Form W-4P for a pension that pays \$50,000 a year. Taylor also has a job that pays \$25,000 a year. Taylor has no other pensions or annuities. Taylor will enter \$25,000 in Step 2(b)(i) and in Step 2(b)(iii).

If Taylor also has \$1,000 of interest income, which they entered on Form W-4, Step 4(a), then they will instead enter \$26,000 in Step 2(b)(i) and in Step 2(b)(iii). They will make no entries in Step 4(a) on this Form W-4P.

Example 2. Casey, a single filer, is completing Form W-4P for a pension that pays \$50,000 a year. Casey does not have a job, but receives another pension for \$25,000 a year (which pays less annually than the \$50,000 pension). Casey will enter \$25,000 in Step 2(b)(ii) and in Step 2(b)(iii).

If Casey also has \$1,000 of interest income, then they will enter \$1,000 in Step 4(a) of this Form W-4P.

Example 3. Sam, a single filer, is completing Form W-4P for a pension that pays \$50,000 a year. Sam does not have a job, but receives another pension for \$75,000 a year (which pays more annually than the \$50,000 pension). Sam will not enter any amounts in Step 2.

If Sam also has \$1,000 of interest income, they won't enter that amount on this Form W-4P because they entered the \$1,000 on the Form W-4P for the higher paying \$75,000 pension.

Example 4. Alex, a single filer, is completing Form W-4P for a pension that pays \$50,000 a year. Alex also has a job that pays \$25,000 a year and another pension that pays \$20,000 a year. Alex will enter \$25,000 in Step 2(b)(i), \$20,000 in Step 2(b)(ii), and \$45,000 in Step 2(b)(iii).

If Alex also has \$1,000 of interest income, which they entered on Form W-4, Step 4(a), they will instead enter \$26,000 in Step 2(b)(i), leave Step 2(b)(ii) unchanged, and enter \$46,000 in Step 2(b)(iii). They will make no entries in Step 4(a) of this Form W-4P.

If you are married filing jointly, the entries described above do not change if your spouse is the one who has the job or the other pension/annuity instead of you.

Multiple sources of pensions/annuities or jobs. If you (or if married filing jointly, you and/or your spouse) have a job(s), do NOT complete Steps 3 through 4(b) on Form W-4P. Instead, complete Steps 3 through 4(b) on the Form W-4 for the job. If you (or if married filing jointly, you and your spouse) do not have a job, complete Steps 3 through 4(b) on Form W-4P for **only** the pension/annuity that pays the most annually. Leave those steps blank for the other pensions/annuities.

Step 3. This step provides instructions for determining the amount of the child tax credit and the credit for other dependents that you may be able to claim when you file your tax return. To qualify for the child tax credit, the child must be under age 17 as of December 31, must be your dependent who generally lives with you for more than half the year, and must have the required social security number. You may be able to claim a credit for other dependents for whom a child tax credit can't be claimed, such as an older child or a qualifying relative. For additional eligibility requirements for these credits, see Pub. 501, Dependents, Standard Deduction, and Filing Information. You can also include **other tax credits** for which you are eligible

Specific Instructions (continued)

in this step, such as the foreign tax credit and the education tax credits. Including these credits will increase your payments and reduce the amount of any refund you may receive when you file your tax return.

Step 4 (optional).

Step 4(a). Enter in this step the total of your other estimated income for the year, if any. You shouldn't include amounts from any job(s) or pension/annuity payments. If you complete Step 4(a), you likely won't have to make estimated tax payments for that income. If you prefer to pay estimated tax rather than having tax on other income withheld from your pension, see Form 1040-ES, Estimated Tax for Individuals.

Step 4(b). Enter in this step the amount from the Deductions Worksheet, line 6, if you expect to claim deductions other than

the basic standard deduction on your 2025 tax return and want to reduce your withholding to account for these deductions. This includes itemized deductions, the additional standard deduction for those 65 and over, and other deductions such as for student loan interest and IRAs.

Step 4(c). Enter in this step any additional tax you want withheld from **each payment**. Entering an amount here will reduce your payments and will either increase your refund or reduce any amount of tax that you owe.

Note: If you don't give Form W-4P to your payer, you don't provide an SSN, or the IRS notifies the payer that you gave an incorrect SSN, then the payer will withhold tax from your payments as if your filing status is single with no adjustments in Steps 2 through 4. For payments that began before 2025, your current withholding election (or your default rate) remains in effect unless you submit a new Form W-4P.

Step 4(b)—Deductions Worksheet (Keep for your records.)

1	Enter an estimate of your 2025 itemized deductions (from Schedule A (Form 1040)). Such deductions may include qualifying home mortgage interest, charitable contributions, state and local taxes (up to \$10,000), and medical expenses in excess of 7.5% of your income	1	\$ _____

Give the top part of this form to your pension payer or annuity. Keep the lower part for your records.

Note: Unless you elect otherwise, state law requires that California Personal Income Tax (PIT) be withheld from payments of pensions and annuities.

This form DE 4P allows you to:

- Claim a different number of allowances for California PIT withholding than for federal income tax withholding.
- Elect not to have California PIT withheld from your periodic, or nonperiodic, pension or annuity payments.
- Elect to have California PIT withheld on periodic or nonperiodic payments based on:
 - The number of allowances and marital status specified.
 - A designated dollar amount.
- Update the DE 4P previously filed.

Withholding from Pensions and Annuities: Generally, withholding applies to payments made from pension, profit-sharing, stock bonus, annuity, and certain deferred compensation plans, from Individual Retirement Arrangements (IRA), and from commercial annuities. Withholding also applies to property other than cash distributed.

In compliance with federal law, California PIT is not to be withheld from pension recipients who reside outside of California.

Periodic and nonperiodic payments from all the items above are treated as wages for the purpose of withholding.

A periodic payment is both:

- Included in your income for tax purposes.
- Received in installments at regular intervals over a period of more than one full year from the pension or annuity's starting date. The intervals can be annual, quarterly, monthly, etc.

For example, if you receive a monthly pension or annuity payment and will continue to receive payments for more than a year, the payments are periodic. However, distributions from an IRA that are payable upon demand are treated as nonperiodic payments.

There are some kinds of periodic and nonperiodic payments that do not require a DE 4P since they are already defined as wages subject to PIT withholding. Your payer should be able to tell you whether a DE 4P is required.

Your certificate is usually effective 30 days after you file the form. The certificate stays in effect until you change or revoke it.

Methods of Withholding: The payer can use one of the following three methods:

- An amount determined by using the California withholding schedules. Payee completes lines 2 and 3 above.
- A dollar amount that you designate. Payee completes line 4 above.

- (3) Ten percent of the federal withholding amount computed pursuant to section 3405 of the Internal Revenue Code (law.cornell.edu/uscode/text/26/3405). Payee completes line 4 above.

Completing the Form: Fill in your full name, home address, Social Security number, and the identification number (if any) of the pension or annuity.

Line 1, Exemption from Withholding: Check this box if you do not want any PIT withheld from your payment. You do not need a reason for claiming the exemption from withholding.

Caution: Remember that there are penalties for not paying enough tax during the year, either through withholding or estimated tax payments. You may be able to avoid paying quarterly estimated tax to the Franchise Tax Board (FTB) by having enough tax withheld from your pension or annuity using the DE 4P.

Revoking the Exemption from Withholding: If you want to revoke your previously filed exemption from withholding for periodic and nonperiodic payments, file another DE 4P completing lines 1, 2, 3, or 4.

Line 2, Withholding Based on Specified Withholding

Allowances: If you want withholding to be calculated based on a specified number of allowances, write the number on line 2, and check the filing status box you want. The worksheets accompanying this form may be used to figure your withholding allowance.

Line 3, Multiple Pensions or More than One Income: Indicate additional amount to be withheld from each payment. You may use Worksheet C, accompanying this form, to determine the additional amount.

Line 4, Withholding a Designated Dollar Amount: Indicate dollar amount you want withheld on this line instead of claiming withholding allowances.

Instructions — 1 — Allowances*

When determining your withholding allowances, you must consider your personal situation:

- Do you claim allowances for dependents or blindness?
- Will you itemize your deductions?
- Do you have more than one income coming into the household?

If you have a working spouse, more than one job or income, it is best to figure the total number of allowances you are entitled to claim on all jobs using the worksheets from only one DE 4P. Allowances can then be claimed with one payer only or split among payers.

Instructions — 2 — Additional Withholding Allowances

If you expect to itemize deductions on your California income tax return, you can claim additional withholding allowances.

Use Worksheet B to determine whether your expected estimated deductions may entitle you to claim one or more additional withholding allowances. Use last year's FTB Form 540 as a model to calculate this year's withholding amounts.

You may reduce the amount of tax withheld from your wages by claiming one additional withholding allowance for each \$1,000, or fraction of \$1,000, by which you expect your estimated deductions for the year to exceed your allowable standard deduction.

Example for Worksheet C for the Year 2025

Payee estimates pension income to be \$1,500 a month and is claiming the standard deduction, and single, with one withholding allowance.

1. Estimate annualized income (\$1,500 a month x 12 months). Enter on line 1.	1. \$ 18,000.00
2. Estimated nonwage income.	2. \$ 8,000.00
3. Add lines 1 and 2 and enter total on line 3.	3. \$ 26,000.00
4. Enter amount for single from line 2 of Worksheet B.	4. \$ 5,540.00
5. Enter adjustments to income shown on line 4 of Worksheet B.	5. \$ 0.00
6. Enter sum of lines 4 and 5.	6. \$ 5,540.00
7. Subtract line 6 from line 3 and enter difference on line 7.	7. \$ 20,460.00
8. Compute the tax liability for the amount on line 7.	
Use the 2025 tables for single from Worksheet C under the entry covering \$20,460 (over \$10,756 but not over \$25,499).	
Compute 0.022% of the amount over \$10,756	
(\$20,460 – \$10,756) x 0.022 = \$213.48.	\$ 213.48
Additional + tax amount.	\$ 118.32
Enter the total on line 13.	Total \$ <u>331.80</u>
8. \$ 331.80	
9. Enter the amount for one personal exemption on line 9 (1 x \$149).	9. \$ 149
10. Subtract line 9 from line 8 and enter the difference on line 10.	10. \$ 182.80
11. Enter any tax credits that will be allowed for 2025 (see FTB Form 540).	11. \$ 0.00
12. Subtract line 11 from line 10 and enter the difference on line 12. This is your total estimated tax liability.	12. \$ 182.80
13. Calculate the tax withheld and estimated to be withheld during 2025.	
14. Withholding on the pension of \$1,500 a month claiming single with one withholding allowance based on the California withholding schedule for 2025 is \$0.43 x 14.09 = \$6.05. Enter that amount on line 13.	13. \$ 6.05
15. Subtract line 13 from line 12. Enter difference on line 14.	14. \$ 176.75
16. Divide line 14 by the number of pay periods remaining in the year. (\$176.75 ÷ 12 = \$14.72)	15. \$ 14.72

Enter \$14.72 on line 3 of the DE 4P.

ELECTRONIC FUNDS TRANSFER

**FORM
209**
(Rev. 2025)

Why should I sign up for Electronic Funds Transfer (EFT)?

- Eliminate the risk of loss, theft, forgery or mail delays of your retirement check
- Automatically deposit retirement checks while away from home
- No more trips to the bank to deposit your pension funds

EFT is electronically depositing your monthly retirement benefit directly into your bank, savings and loan, or credit union account automatically. There is no paper check printed, so there are no postal service delays. Plus, you receive a Deposit Advice Form (check stub) showing you the amount of your deposit, any deductions or other important information regarding your transfer.

How does this work?

1. Fill out and return the Electronic Funds Transfer Form to the Retirement Office **by the 15th of the month**. If you choose to have your pension deposited to a checking account, **be sure to include a VOIDED check**.

Two options could occur:

- a. The first month following receipt of your completed EFT form, your check may go through a “test run”. Your actual check is still mailed to you, but an electronic “record” of your account deposit is also sent to your bank. This ensures all information on the EFT form is accurate before actual funds are transferred.

If there are no problems with the “test run” of your check, your monthly retirement benefits will be deposited electronically the second month and each month thereafter. In addition, a Deposit Advice Form will always be mailed to you notifying you of the deposit.
- b. If the account is confirmed then the funds will skip the “test run” and be transferred directly into your new account. In addition, a Deposit Advice Form will always be mailed to you notifying you of the deposit.

What if I have changes to the bank or account number?

If you have any changes to your EFT authorization, call our office and request another EFT form. Your check will undergo the same process as listed above.

What if I no longer want EFT?

If you want to stop EFT, fill out another Electronic Funds Transfer Form, check “Cancel Direct Deposit” and return the form to the Retirement Office at the address below.

Special Notice to Joint Account Holders

If your account is a joint account and receives direct deposit benefit payments for a CCCERA retiree, you must inform CCCERA and the financial institution of the death of the CCCERA retiree. Payments sent by direct deposit after the date of death must be returned to CCCERA. CCCERA will then determine what survivor benefits, if any, are payable.

Important Information About Working After Retirement

There are several restrictions, both Federal and State that apply to retirees who work for a CCCERA employer while receiving a retirement allowance from CCCERA. The purpose of this document is to summarize these restrictions and allow members to make an informed decision if they choose to continue receiving a retirement allowance after returning to work.

As a reminder, members who wish to return to work after retirement may also "reinstate" their CCCERA membership, meaning that their retirement allowance will be suspended and will resume only upon their subsequent termination from employment. Reinstatement is described below under Note 2.

The summary below assumes that the member does not wish to "reinstate," but instead, continue to receive the retirement allowance while returning to work.

Federal Restrictions on Receiving a Retirement Allowance While Working Before NRA

Under IRS rules a member who has not attained Normal Retirement Age (NRA) under the Plan may not collect a retirement allowance unless the member had a "bona fide separation" from service. (NRA is defined as age 50 for Legacy Safety and age 55 for Legacy General; age 57 for PEPRA Safety and age 67 for PEPRA General.)

Bona fide separation from service is a term the IRS uses, which means that the employee/employer relationship has been completely severed. The employee has "retired", and there is no expectation by the employer or the employee that the employee ever resumes working for the employer. CCCERA uses the following rule to determine whether a bona fide separation from service has occurred:

- A. There is no agreement, either oral or written, prior to the date the member's retirement commences, to be reemployed while retired by the same employer, regardless of the length of the member's break in service after retirement, and
- B. There is at least a continuous 90-day break in service, from the date of the member's last day of employment before being reemployed while retired by the member's prior CCCERA employer

If a member is reemployed without compliance with (A) and (B) above, the retired member's retirement allowance from CCCERA must be suspended and will not resume until the member has a bona fide separation from service or reaches NRA.

State of California Restrictions on Receiving a Retirement Allowance While Working

A CCCERA retiree may not serve, be employed by, or be employed through a contract directly by any CCCERA employer without reinstatement from retirement, except under certain conditions.

First, reemployment without reinstatement must be either during an emergency to prevent the stoppage of public business or because the retired person has the skills needed to perform work of limited duration.

Second, the reemployment cannot exceed 960 hours in a fiscal year, and the rate of pay cannot be less than the minimum, nor exceed the maximum, paid by the employer to other employees performing comparable duties.

Third, any retired person is not eligible for reemployment if, during the 12 months before reemployment the retiree received any unemployment insurance compensation arising out of prior employment as a working retiree.

Fourth, a CCCERA retiree is not eligible to be employed without reinstatement for 180 days following the date of retirement unless he or she meets one of the following exceptions (see Note below):

- The employer certifies the nature of the employment, and that the appointment is necessary to fill a critically needed position before 180 days have passed and the appointment has been approved by the governing body of the employer in a public meeting.
- The retiree is a public safety officer or firefighter hired to perform a function or functions regularly performed by a public safety officer or firefighter.

Monetary fines related to the violation of rules for post-retirement employment: Violations of the rules related to port-retirement employment (including but not limited to the items listed above) can have serious financial consequences for CCCERA retirees. As of January 1, 2025, retirees found to be in violation of applicable law must reimburse CCCERA for any retirement allowance received during the period of violation, plus interest. Additionally, CCCERA retirees in

violation of applicable law must pay the retirement system an amount of money equal to the employee contributions that would otherwise have been paid, plus interest, for the period the retiree was employed in violation of these provisions, and (if applicable) must pay reimbursement for reasonable administrative expenses incurred by CCCERA. (California Gov. Code Sec. 7522.56.)

Note: The exceptions to the 180-day waiting period are not available if the retiree accepts a retirement incentive upon retirement. Such a retiree must wait 180 days before reemployment.

Additional Taxes on Retirement Allowances when Retirees Return to Work under CCCERA

Even in cases where the retiree is eligible to work for a CCCERA employer while receiving a retirement allowance from CCCERA without violating Federal or State law, that retirement allowance could be subject to a 10% additional Federal tax under Internal Revenue Code §72(t) and a 2.5% additional California state tax under California Tax Code §17085(c)(1).

These additional taxes apply to retirees under the age of 59 ½ if they did not have a bona fide separation of service. When CCCERA issues a 1099-R for the retirement allowance, CCCERA must indicate a distribution code. If it is not a disability retirement and the payments were made before the retiree was 59 ½, CCCERA indicates that it is an "early distribution". For early distributions, CCCERA must indicate whether an exception to the additional tax applies or whether CCCERA does not know whether an exception applies. If the retiree is working for the same employer from which he or she earned the retirement allowance, and he or she did not have a continuous 90-day break in service or had an agreement with the employer to return to work after retirement, CCCERA will indicate that the additional tax applies.

Remember, CCCERA follows regulations for what constitutes a bona fide separation from service. If you believe you had a bona fide separation from service, but did not meet CCCERA's regulations (i.e., no prearrangement to be reemployed AND at least a continuous 90-day break in service), you may be entitled to claim an exception from the additional tax using IRS Form 5329. It is up to the IRS whether you owe the additional tax, not CCCERA. Please note that we are not tax professionals and we do not give tax advice. We advise you to consult with a tax professional regarding tax matters. If you owe the 10% Federal tax, you may also owe the 2.5% California state tax.

Important Notes About Working After Retirement

Note 1: It is important to remember that all the Federal and State restrictions and all the Federal and State tax penalties related to working after retirement only apply if you choose to

return to work with a CCCERA employer while you continue receiving your CCCERA retirement allowance. There are no restrictions or penalties if you enter the workforce in general and do not serve any CCCERA employer, nor are there restrictions or penalties if you voluntarily suspend your retirement allowance and return to work within CCCERA.

Note 2: CCCERA members may retire and reinstate their CCCERA membership. Retirees could be rehired as full-time employees by the same employer with no waiting period if they file for reinstatement as an active member with CCCERA. The retirement allowance would be suspended, and the member would earn service towards retirement under a new membership. There would be no additional penalty taxes since CCCERA would not be making any payments during re-employment. Upon re-retirement, the member would receive two retirement allowances from CCCERA, one based on the first retirement allowance (including any COLAs that were granted during reemployment) and one based on the second membership.

Note 3: If a member chooses to collect a CCCERA retirement allowance while receiving compensation from a CCCERA employer, he or she is subject to restrictions and is putting himself or herself at risk of the additional tax described above.

CONTRA COSTA COUNTY EMPLOYEES' RETIREMENT ASSOCIATION

ACCESSIBILITY OF RECORDS POLICY

(Adopted 5/19/04)

Amended December 12, 2007; November 24, 2009

I. PURPOSE

The Board of Retirement ("Board") of the Contra Costa County Employees' Retirement Association ("CCCERA") adopts this policy to establish guidelines and procedures for making determinations concerning the disclosure of information in CCCERA's files, records or other information when responding to requests made under the Public Records Act ("PRA").

The Board recognizes that it has an obligation to balance its members' right to privacy with the public's right to information regarding public business. There are no "bright line" standards available to the Board for knowing how that balance should tip in each instance. Nevertheless, the Board has determined that it would be useful to establish guidelines for CCCERA to follow when a request is made under the PRA, and to publish those guidelines for the benefit of its members and their beneficiaries, and the public at large.

All staff should be familiar with these guidelines so that the process of responding to requests is efficient, consistent and compliant with the applicable laws. In many circumstances, these guidelines will enable staff to respond to requests without the need for substantial analysis or the assistance of legal counsel. However, given the complexities of the law, situations will likely arise where a simple application of the general guidelines will not provide a definitive answer. When such a situation arises, the Administrator should refer any questions to legal counsel.

In addition, to the extent that any requests made to CCCERA under the PRA pertain to CCCERA's investment records, responses to such requests should follow the additional guidelines set forth in CCCERA's Policy and Guidelines for Accessibility of Investment Records.

II. GENERAL PRINCIPLES

A request to inspect CCCERA records may be made by a telephone call, an in- person oral request, a written request, a subpoena or a court order. The person making a request for records may be a member, a beneficiary, an employee organization, a government agency or member of the press or general public. Staff should always be aware that a request, no matter how informal it may appear, must be analyzed under the principles outlined in this Policy (or analyzed by legal counsel in more complicated situations). The general principles of the policy may be summarized as follows:

1. Confidentiality of an individual member's records must be protected unless those records relate to the conduct of the public's business, or unless the member has authorized the disclosure in writing.

2. An individual (member or beneficiary) generally must be permitted access to his or her own records.

3. The public – i.e., any person, for any reason - has a right to inspect records that relate to CCCERA's operation and that are neither confidential nor protected from disclosure by the applicable laws.

4. Generally, CCCERA must respond to any request for information within 10 calendar days of receipt of the request. The response need not contain the actual requested information or production of the sought records, but must (at a minimum) provide a response as to whether CCCERA will produce the requested records or provide a basis for rejecting the request. If CCCERA is unable to formulate a response within 10 calendar days, it may extend the time for a response by as much as 14 calendar days, but may only do so with good cause.

5. Subpoenas or court orders requiring the production of records and/or information should be referred to legal counsel immediately upon receipt.

6. Even if a request seeks disclosable records, under California case law, a request may be objectionable if it is unreasonably burdensome. Additionally, the PRA only requires CCCERA to disclose its existing records; it does not require CCCERA to conduct studies, reorganize information or summarize data for the requesting party. Thus, when confronted with a request that will substantially disrupt CCCERA's operations, the Administrator should consult legal counsel.¹

7. When a request is made for information regarding an individual member that appears to be of a personal or private nature, CCCERA should seek the advice of legal counsel.

¹ Although CCCERA does not have to conduct studies, reorganize information or summarize data, it may have to invest substantial energy sifting through existing data. The amount of time or energy spent sifting through CCCERA's existing data is not, alone, a valid ground for withholding records or information.

III. APPLICABLE LAW

A. **Public Records Act (PRA)**

The PRA generally requires CCCERA to disclose "public records" unless the particular information is exempt from disclosure. Under the PRA and interpreting case law, "public records" include information in virtually any format "relating to the conduct of the public's business prepared, owned, used or retained by any state or local agency." Although certain exemptions allow CCCERA to withhold some records, case law is clear that the policy in California generally favors disclosure.

The PRA sets forth an extensive list of records that are exempt from required disclosure.² Many of the statutory exemptions are inapplicable to CCCERA and others may be applicable only in rare instances. The following exemptions are the most important exemptions for CCCERA:

1. Preliminary drafts, notes, or interagency or intra-agency memoranda that are not retained by the public agency in the ordinary course of business, provided that the public interest in withholding those records clearly outweighs the public interest in disclosure.
2. Records pertaining to pending litigation to which the public agency is a party until the pending litigation or claim has been finally adjudicated or otherwise settled.
3. Personnel, medical, or similar files, the disclosure of which would constitute an unwarranted invasion of personal privacy.
4. Records, the disclosure of which is exempted or prohibited pursuant to federal or state law, including, but not limited to, provisions of the Evidence Code relating to privilege.
5. Additionally, Government Code Section 6255 provides a "catch all" provision whereby CCCERA can justify withholding any record by demonstrating that "on the facts of the particular case the public interest served by not disclosing the record clearly outweighs the public interest served by disclosure of the record."³

² According to California case law, the listed exemptions permit CCCERA to withhold records; they do not prohibit disclosure. In other words, these exemptions provide CCCERA with discretion to disclose certain records and information. However, due to (a) the possibly sensitive nature of the records covered by the exemptions and (b) the fact that disclosure may constitute a waiver of future rights to withhold information, CCCERA is encouraged to consult legal counsel before disclosing any records that fall under an exemption.

³ Generally, California law favors disclosure, and if a court disagrees with CCCERA's determination, CCCERA may be liable for the requesting parties' attorney fees and costs associated with obtaining disclosure. Thus, the "catch all" provision should be used sparingly, and only with the benefit of legal counsel.

B. Member Records

Government Code section 31532 provides as follows: "Sworn statements and individual records of members shall be confidential and shall not be disclosed to anyone except insofar as may be necessary for the administration of this chapter [the '37 Act] or upon order of a court of competent jurisdiction, or upon written authorization by the member."

Based upon section 31532 and applicable court rulings, the CCCERA Board hereby adopts the following interpretation of Government Code section 31532 as it pertains to the confidentiality of member records:

Subject to the provisions of this section, data filed by any member or beneficiary with CCCERA is confidential, and no individual record shall be divulged by any official or employee having access to it to any person other than the member to whom the information relates or his or her authorized representative or the county or participating agency by which he or she is employed. The information shall be used by CCCERA for the sole purpose of carrying into effect the provisions of this part. Any information that is requested for retirement purposes by any such public agency shall be treated as confidential by the agency.

Except as provided by this section, the following information is not public information and shall not be disclosed: a member's, beneficiary's or annuitant's social security number, date of birth, address, telephone and facsimile numbers, email addresses, age at entry into service, spouse's and/or beneficiary's names, disability application, medical records, or other personal information provided by the member or beneficiary (excluding the public information listed below).

The following information is public information and shall be released in response to a valid request: member's and benefit recipient's names, member's date of hire, category of service (e.g., general or safety), employment tier, date of hire, applicable benefit formula, date of retirement, election of retirement options, type of retirement allowance (e.g., service, service connected disability, non-service connected disability), years of credited service, age factor for calculation of benefit, final average compensation (including the elements of compensation earnable) and total retirement allowance.

IV. PROCEDURE FOR RESPONDING TO PUBLIC RECORDS REQUESTS

A. Initial Review

Upon receiving a request for records, CCCERA must first determine whether the request seeks disclosable "public records."⁴ To make this determination, CCCERA should proceed as follows:

1. Determine if the records are prepared, owned, used, or retained by CCCERA.
2. If the records are prepared, owned, used, or retained by CCCERA, then determine if the requested records relate to the conduct of the public's business.
3. Determine if the requested records fit under one of the exemptions discussed above (e.g., preliminary drafts, records related to litigation or personnel files).
4. Always consider whether there is a good public policy reason to withhold the records. If so, the request should be referred to legal counsel for a case-by-case determination.
5. Determine whether the requested records will reveal information regarding a member that is of a personal or private nature. Generally, records or information that relate to a member's official responsibilities, his or her actions as a public employee, information that is within the public domain (e.g. formula used to calculate pension allowances) or information that is provided to the county auditor/controller (e.g., the member's salary, bonuses) or information provided by other similarly situated retirement systems (e.g., the gross amount of any benefit or any refund of a member contribution) is non-confidential, public information and should be disclosed. However, requests for more personal information (e.g., addresses, telephone numbers, social security numbers, disability and medical records and investigations, marital status, designated beneficiary, etc.) ordinarily should not be disclosed, unless the member has consented to disclosure, and the request should be referred to legal counsel for further handling.
6. Determine whether otherwise disclosable records need to be reorganized or redacted such that confidential information is not included in the disclosed material.
7. If, for any reason, CCCERA believes that certain records should not be disclosed, or questions whether certain records should be disclosed, legal counsel should be consulted.

⁴ It is important to remember that a request may be partially acceptable and partially objectionable. CCCERA should disclose all records that are properly sought, even if the person making the request has sought other records that need not be disclosed.

B. Preparing the Response Letter

Under normal circumstances, within 10 calendar days⁵ after receipt of the request, CCCERA must notify - in writing -- the person making the request whether some or all of the records will be disclosed. The response letter should also contain the following:

1. If any records will not be disclosed, CCCERA must explain why those records are being withheld. If some of the requested records will be disclosed while others will not, it is important that CCCERA clearly delineate which records will be disclosed (and which will not) and explain the reasons for the distinctions.

2. If some or all of the requested records will be disclosed, CCCERA must state the estimated date and time when the records will be made available. In general, CCCERA should provide the relevant information or make the records available at the earliest practicable date. Unless special circumstances exist, CCCERA should endeavor to produce the information or records within 10 days after the response letter is sent (i.e., within 20 days after the original request).

3. If some or all of the requested records will not be disclosed, because "the public interest served by not disclosing the record clearly outweighs the public interest served by disclosure of the record," (pursuant to Govt. Code Section 6255) CCCERA must set forth the names and titles or positions of each person responsible for the denial.

C. Producing the Records

The logistics of providing the requested records should be worked out on a case- by-case basis in cooperation with the person making the request. If practicable, the information should be communicated by letter. If, however, the request seeks review of specific records, or if the requested information is too voluminous for inclusion in a letter, CCCERA should send copies of the relevant records to the person making the request. If the production requires substantial copying, CCCERA should not release the copies until the requesting party pays CCCERA for copying at the rate of \$.10 per page. If the requested information is particularly voluminous (or the person requesting the information does not want to pay for copy charges) arrangements should be made so that he or she can view the records at CCCERA's offices.

⁵ Under "unusual circumstances," if CCCERA cannot reasonably make a determination within 10 days, the Administrator "or his or her designee" should, within the 10 days, send a letter to the person making the request explaining when a response is expected (but in no case more than 24 days after the initial request) and setting forth the reason(s) for the extension. Extensions should not be used simply to postpone the response, but rather should only be used when "unusual circumstances" exist. "Unusual circumstances" includes: (1) the need to search for and collect the requested records from other locations; (2) the need to search for, "sift through" and examine voluminous records; (3) the need for consultation with another agency or department; or (4) the need to compile data, to write programming language or a computer program, or to construct a computer report to extract more limited data that CCCERA seeks to provide in response to a PRA request.

V. MISCELLANEOUS

A. Availability Of This Policy

A copy of this policy statement shall be posted in a visible location of the CCCERA office, shall be made available to any member of the public upon request, and shall be made available on CCCERA's website.

B. Responsible Individual

For consistency and efficiency, the Administrator shall be the responsible individual for requests under the PRA. Staff shall promptly refer all requests to the Administrator, or his or her designee(s).

C. Record Keeping

A separate file shall be maintained for all documents relating to requests for records under the PRA. All communications relating to requests for records under the PRA shall either be in writing or memorialized by a writing that is appropriately filed.

THE IMPORTANCE OF E-MAIL COMMUNICATIONS

We ask you to give us written consent to communicate with you by e-mail for four reasons:

First, the law requires your consent. We must get your consent to send you notices of RSG business by e-mail.

Second, e-mail saves your dues money. Empowering RSG to use e-mail to communicate with you helps minimize RSG administrative costs (postage and other mailing charges) paid by your dues money.

Third, e-mails get you important information quickly. We sometimes need to notify you of important events and information that is time sensitive. Our e-mails will reach you instantly, instead of taking days to reach you through the U.S. Postal Service.

Fourth, e-mails conserve RSG leadership resources. E-mails can be sent to our entire membership with a minimum of work by our RSG volunteer leaders. Our volunteer officers and directors are freed to spend time working for your retirement benefits, instead of addressing and stuffing envelopes and preparing them for mailing or paying a third party to do that.

EXPLANATION OF THE E-MAIL CONSENT FORM

As required by Section 20 of the California Corporations Code, this Explanation gives you information about the use of electronic mail ("e-mail") for communications to you from the Retiree Support Group (RSG) regarding member meetings, written ballots, and any other matters related to the business of RSG provided in the Bylaws of the Retiree Support Group.

By completing and submitting to RSG the Member Consent and Verification Form, you will give your permission to receive all communications regarding RSG's business via electronic means such as e-mail. You will be able at any time to write RSG at our business address to update RSG about your e-mail address.

You have the right at any time to withdraw your consent to receiving electronic communications from RSG. To withdraw your consent, you must write a letter to RSG in which you withdraw your consent. Your letter should be mailed to RSG at our business address: P.O. Box 3165, Martinez, CA 94553. If you choose to withdraw your consent, you will receive from RSG hard-copy paper communications.

You have the right to request RSG to send you a paper copy of any electronic transmission sent to RSG members, by sending a hard copy paper letter to RSG at our business address in which you identify the electronic transmission you would like to obtain.

If you are unable or do not wish to receive e-mail communications from RSG, you may request RSG to send communications to you by hard-copy paper, and you may send communications to RSG by hard-copy paper.
